Dear Sir or Madam:

Please let this letter serve as notice that I am designating the following days as my vacation days in 2016:

Saturday, July 2, 2016 through Saturday July 9, 2016

I respectfully request that no matters be scheduled before the Court on the above dates. I have notified all counsel of record of my dates scheduled for vacation as well. Thank you for your consideration in this matter.

Very truly yours,
